

Internship appliance

Hello,

I would like to apply for an internship at your studio from 19 May to 30 May 2025.

I am a 2nd year student in Information Technology (18-20-M/01) and I am actively involved in game development in my spare time. I see the internship in your team as a great opportunity to gain experience in professional game development and improve my skills in teamwork.

If I prove myself, I would be happy to work with you after the internship, based on a possible agreement.

Thank you for considering my application and I look forward to our possible collaboration.

Sincerely,
Richard Kopp
